Security Conference

2010 Western Canada Information Security Conference
Monday April 26th, 2010

Attention: Marketing or event Manager

The ISACA® Winnipeg Chapter (and our IPAM Special Interest Group) is hosting our **2010 Western Canada Information Security Conference** at the Winnipeg Convention Centre, 375 York Avenue, Winnipeg, MB, Canada. We are currently seeking exhibitor and sponsorship support for this year's Conference and Sponsor Expo will be held all day Monday April 26th, 2010.

The mission of this conference is to educate and expand the knowledge and skills of our members in the field of information technology and security, to encourage and foster the free exchange of information, techniques, and best practices. This conference offers a forum that allows members of the IT and security community to discuss information technology and security related issues or topics and to gain knowledge through the experience of others. In addition the conference facilitates knowledge through presentations by leading technology providers in the field of Information Technology and security with the intent of keeping IT and security professionals abreast of current trends in Information Technology and security.

Sponsor Information

The conference and Sponsor Expo will take place at the Winnipeg Convention Centre, 375 York Avenue, Winnipeg, MB, Canada for **one full day** on Monday April 26th, 2010. If, after reviewing the following, you have any questions, please contact:

Theme: "Security in the New Information Age"

All sponsor subjects and educational presentation should focus on this theme.

Sponsor Expo show will be one full day.

Presentation Guidelines for Platinum, Gold and Silver Sponsors:

- **This must be an Educational Session not a sales pitch.**
- 45 minutes to 1 hour in length
- 15 minutes may be dedicated to marketing of your company/products
- 30 to 45 minutes presentation
- Avoid simply itemizing big security breach cases (many presenters do this)
- Present risks followed by a suggested risk management approach
- Discuss current best practices, and their limitations
- Analyzing alternative (risk management) solutions is a good idea
- Techniques (and success stories) on how to sell the idea to the top management, would be a great asset to the presentation
- 15 minutes may be dedicated to marketing of your company/products

Please provide all topic, Speaker Name and Bio [information](#) at the time you register (this information can be subsequently updated [HERE](#)). However, final update should be **no later than March 15, 2010** for inclusion in conference marketing materials. Also be sure to send your logo to send_logos@wcisc.ca **no later than March 15, 2010** to make sure it is included in the promotional materials and on our web site. Information received after this deadline will **not** be included in the conference brochure and it will be the full responsibility of the sponsor to provide any printed material about their speaker or presentation to sponsor@wcisc.ca no later than April 22, 2010.

Complimentary and Discounted Registrations

Each sponsor is entitled to complimentary passes (registrations) (for attendance at the conference sessions) as follows:

- Bronze Sponsors - 2 Complimentary Conference passes.
- Silver Sponsors - 2 Complimentary Conference passes and 1 speaker pass.
- Gold Sponsors - 3 Complimentary Conference passes and 1 speaker pass.
- Platinum Sponsor- 4 Complimentary Conference passes and 1 speaker pass.

Speakers are required to register as part of the sponsor registration process, as name tags will be produced in their name. Each sponsor may only register one person as a speaker. However, sponsors are not required to provide the names for their complimentary passes as these will be created with just the Company name on them (these name tags will provide for the insertion of the individuals business card so attendees will know who the company representatives are).

2010 Western Canada Information Security Conference Monday April 26th, 2010

In addition, sponsors (exhibitors) are invited to purchase additional registrations and are encouraged to invite their customers to register and attend the Western Canada Information Security Conference.

Each sponsor (exhibitor) is required to have at least one representative at its trade show display at all times while the trade show is open (from 8:00 to 16:30). Please limit the total number of personnel working at your exhibit to four (4) people at any given time.

Trade Show Facilities

Each 8' by 10' trade show spot will include a skirted 8-foot banquet table, 2 folding chairs, and an electrical outlet. Exhibitors with additional needs such as additional power, phone lines, Internet connection, etc. should arrange and pay for these directly with the Winnipeg Convention Centre (WCC). Contact information is as

WCC Trade Show Services – 204-957-4538

Reservation of Trade Show Spots

Trade show spots are pre-assigned. Assignments are randomly drawn and partially based on sponsorship levels. We will notify everyone of their reserved booth number prior to the event. A layout of the Booths will be available at the tradeshow area on the day of the event.

Trade Show Operation & Opportunities

The trade show will operate between 8:00 and 16:30 – when the conference ends. Continental Breakfast and Coffee breaks will be held in the trade show area to provide delegates a chance to visit all of the exhibits, to meet with exhibitors and to discuss products and services. Please refer to the conference schedule for timing of various events.

Booth Setup and Dismantling

Setup must be completed the night before and delegates will have their first opportunity to visit the trade show at 8:00. To maximize the trade show benefit and have the least disruption during the reception, dismantling of exhibits should not begin before 16:30.

Shipping and Storage of Displays and Equipment

If your materials are coming from out of town, please take steps to ensure that they will arrive in time for the setup (e.g., one or two days before the conference). Please consider customs and other cross-border issues for items arriving from outside of Canada, and ensure that the shipping company knows that the destination is Winnipeg, Manitoba CANADA.

The Winnipeg Convention Centre does not have storage facilities for display booths. Official policy is as follows: "The Centre does not accept exhibitor material prior to the official ingress day. If equipment arrives at the Centre prior to the event ingress day, the official service contractor is to be contacted." If you are shipping your display and it will arrive in Winnipeg prior to the day of the event (which it should!), please contact our display company, Central Display. Call Tony Pare at Central Display and tell him that you require services for the week of April 19th at the Western Canada Information Security Conference. (In addition to receiving the booth and ensuring that the booth is at the right place at the right time, Central Display can also setup the booths, take them down, and ship them back to you.)

* Tony will email or fax you a Material Handling Form to complete and return to him.

NOTE: Costs for services obtained from Central Display are the exhibitor's responsibility and are not provided by the 2010 Western Canada Information Security Conference.

Receiving hours are: 9:00 AM - 4:00 PM - Monday to Friday

Do not ship materials to central display without completing and returning the material handling form!

Volunteer Assistance

Volunteers will be onsite throughout the day. Volunteers will be wearing name badges with special "VOLUNTEER" ribbons. If you have a question or problem at any time during the day, please ask a volunteer for assistance. If necessary, the issue will be escalated to a conference official.

Prize Draws

Exhibitors are encouraged to collect business cards at their booth and supply prizes for the draws which will be held at the end of the day. Winners can be either drawn by conference officials from all delegates or selected by the Exhibitor prior to the awards. If the later, exhibitors should be prepared to send the prize to the winner if necessary. A volunteer will visit each exhibit during the day to identify prizes and coordinate drawing or announcing the winners.

NOTE: Sponsor Employees are not eligible for prize draws.
